The Take This Discord server is intended to be an informative, healthy environment for the Take This community. We at Take This, Inc. require that all members of the server review and abide by the following rules and guidelines.

1. Do not make offensive remarks or use offensive language. Offensive language is defined as words or images that have a high likelihood of causing harm or are intentionally used to put down or harass another member.
2. Do not troll, bully, grief, harass, or otherwise engage in negative behaviors, as defined in [our social media policy](#).
3. Cursing in moderation as emphasis, surprise, or disbelief is acceptable; cursing directly at someone is never allowed.
4. No spamming/excessive self-promo/pepe memes.
5. Breaking these rules will result in a warning or ban, depending on the action.
6. Please be wary of how much personal information you share. This Discord is for information and educational purposes only. Take This does not provide any clinical services. If you are looking for mental health resources, they are available on our website [here](#).
7. Don't post anything you wouldn't post publicly. Everything you post may be visible to members of the server.
8. Please avoid divisive topics, including political discussion of candidates, policies, etc.

This is a cozy, respectful place to discuss and support the mental health of players and game devs. Needing to vent a tiny bit is ok, however, refrain from regular negativity and/or antagonistic behavior towards others.
